

# Help Free Asia Bibi

“Dear God, please release my mama.”

Dear Friend:

Asia Bibi, a wife and mother in Pakistan, spoke out in defense of her Christian faith when Muslim coworkers mocked her and tried to force her to embrace Islam. She was later convicted of blasphemy and sentenced to be executed. She is in jail today, waiting to hear the high court's decision on her appeal.

In Pakistan, more than 150,000 Christians have signed a petition demanding justice for persecution victims, including Asia Bibi. Now you can **join your voice to theirs by signing an online petition at [www.CallForMercy.com](http://www.CallForMercy.com)**. The Voice of the Martyrs has set the goal of gathering one million signatures from around the world on behalf of our sister Asia. VOM will deliver the petition, along with the list of signers, to the Pakistani Embassy in Washington, D.C.

Visit [www.CallforMercy.com](http://www.CallforMercy.com) to add your name to the list, then invite your friends to also sign their names. Pray God will answer the prayers of Asia's young daughters, Isha and Isham, and allow them to be reunited with their mother.

**Every signature is a call for mercy. Visit [www.CallForMercy.com](http://www.CallForMercy.com) now.**

**For those in bonds,**
