After having dug to a depth of 1,000 meters last year, French scientists found traces of copper wire dating back 1,000 years and came to the conclusion that their ancestors had a telephone network all those centuries ago.

Not to be outdone by the French, English scientists dug to a depth of 2,000 meters and shortly after headlines in the U. K. newspapers read: "English archaeologists have found traces of 2,000-year-old fiber-optic cable and have concluded that their ancestors had an advanced high-Tech digital communications network a thousand years earlier than the French.

One week later, Indian Newspapers reported the following: "After digging as deep as 5,000 meters in a Delhi marketplace, scientists had found absolutely nothing. They, therefore, concluded that, 5,000 years ago, Punjabis were already using wireless technology."

### Sick Leave

I urgently needed a few days off work, but I knew the Boss would not allow me to take leave. I thought that maybe if I acted 'CRAZY' then he would tell me to take a few days off. So I hung upside down on the ceiling and made funny noises. My co-worker (who's blonde) asked me what I was doing. I told her that I was pretending to be a light bulb, So that the Boss would think I was 'CRAZY' and give me a few days off.

A few minutes later the Boss came into the office And asked 'What are you doing?' I told him I was a light bulb.

He said, 'You are clearly stressed out. Go home and recuperate for a couple of days.' I jumped down and walked out of the office.

When my co-worker (the blonde) followed me,

The Boss asked her. And where do you think you're going?'

She said,

'I'm going home too; I can't work in the dark!

One truck driver was doing his usual delivery to IMH (Institute of mental health).

He discovered a flat tyre when he was about to go home. He jacked up the truck and took the flat tyre down. When he was about to fix the spare tyre, he accidentally dropped all the bolts into the drain.. As he can't fish the bolts out, he started to panic. One patient happened to walk past and asked the driver what happened. The driver thought to himself, since there's nothing much he can do; he told the patient the whole incident. The patient laughed at him & said "can't even fix such a simple problem.... no wonder you are destined to be a truck driver..." Here's what you can do, take one bolt each from the other 3 tyres and fix it onto this tyre. Then drive to the nearest workshop and replace the missing ones, easy as that" The driver was very impressed and asked "You're so smart but why are you here at the IMH?"

Patient replied: "Hello, I stay here because I'm crazy not STUPID!"

He left the room for a moment and came back carrying a large cage with a cat in it. The vet opened the cage door and the cat walked over to the dog. The cat sniffed the dog from head to toe and walked back to the cage.'Well, that confirms it.' the vet announced. 'Your dog is dead.'Satisfied that the vet had done everything he possibly could, the woman sighed, 'How much do I owe you?'That will be \$1100.' the vet replied. 'I don't believe it!!!', screamed the woman. 'What did you do that cost Rs.1100? 'Well', Dr Santa Singh replied, 'it's Rs.100 for the office visit and \$1000 for the cat-scan.'**

A lady approaches a priest and tells him, "Father, I have a problem. I have these two talking female parrots, but they only know how to say one thing. They keep saying "Hi, we're hot. Do you want a date?"

"That's terrible!" the priest exclaimed. "But I do have a solution to your problem. Bring your two parrots over to my house and I will put them with my two male talking parrots to whom I have taught to pray and read the bible.

My parrots will then teach your parrots to stop saying that terrible phrase, and your female parrots will learn to pray and worship."

### **The Pastor's Ass**

The pastor entered his donkey in a race and it won.

The pastor was so pleased with the donkey that he entered it in the race again, and it won again.

The local paper read:

**PASTOR'S, ASS OUT FRONT.**

The Bishop was so upset with this kind of publicity that he ordered the pastor not to enter the donkey in another race.

The next day, the local paper headline read:

**BISHOP SCRATCHES PASTOR'S ASS.**

This was too much for the bishop, so he ordered the pastor to get rid of the donkey.

The pastor decided to give it to a nun in a nearby convent.

The local paper, hearing of the news, posted the following headline the next day:

**NUN HAS BEST ASS IN TOWN.**

The bishop fainted.

He informed the nun that she would have to get rid of the donkey, so she sold it to a farmer for

**\$10.**

The next day the paper read:

**NUN SELLS ASS FOR \$10.**

This was too much for the bishop, so he ordered the nun to buy back the donkey and lead it to the plains where it could run wild.

The next day the headlines read:

**NUN ANNOUNCES HER ASS IS WILD AND FREE.**

The bishop was buried the next day.

A Red Indian walks into a cafe with a shotgun in one hand and a bucket of buffalo manure in the other.

He says to the waiter, "Me want coffee."

The waiter says, "Sure chief, comin right up."

He gets the Indian a tall mug of coffee, and the Indian drinks it down in one gulp, picks up the bucket of manure, throws it into the air, blasts it with the shotgun, then just walks out.

The next morning the Indian returns. He has his shotgun in one hand and a bucket of buffalo manure in the other. He walks up to the counter and says to the waiter, "Me want coffee."

The waiter says, "Whoa, Tonto! We're still cleaning up your mess from yesterday. What the heck was all that about, anyway?"

A business man got on an elevator.

When he entered, there was a blonde already inside who greeted him with a bright, 'T-G-I-F.'

He smiled at her and replied, 'S-H-I-T.'

She looked puzzled and repeated, 'T-G-I-F,' more slowly.

He again answered, 'S-H-I-T.'

The blonde was trying to keep it friendly, so she smiled her biggest smile, and said as sweetly as possibly, 'T-G-I-F.'

The man smiled back to her and once again, 'S-H-I-T.'

The exasperated blonde finally decided to explain. 'T-G-I-F' means 'Thank Goodness It's Friday.' Get it, duuhhh?'

The man answered, 'S-H-I-T' means 'Sorry, Honey, its Thursday'

"Why complain?" said the counselor. "You're still getting the same service!"

A wife, one evening, drew her husband's attention to the couple next door and said,

**One day, while a blonde was out driving her car, she ran into a truck.**

The truck's driver made her pull over into a parking lot and get out of the car.

He took a piece of chalk and drew a circle on the pavement. He told her to stand in the middle and not leave the circle.

Furious, he went over to her car and slashed the tires.

The blonde started laughing.

This made the man angrier so he smashed her windshield.

This time the blonde laughed even harder.

Livid, the man broke all her windows and keyed her car.

The blonde is now laughing hysterically, so the truck driver asks her what's so funny.

The blonde giggles and replies, "When you weren't looking, I stepped out of the circle three times!"

An exhausted looking blonde dragged himself in to the doctor's office. "Doctor, there are dogs all over my neighborhood. They bark all day and all night, and I can't get a wink of sleep."

"I have good news for you," the doctor answered, rummaging through a drawer full of sample medications. "Here are some new sleeping pills that work like a dream. A few of these and your trouble will be over."

"Great," the blonde answered, "I'll try anything. Let's give it a shot."

A few weeks later the blonde returned, looking worse than ever. "Doc, your plan is no good. I'm more tired than before!"

"I don't understand how that could be", said the doctor, shaking his head. "Those are the strongest pills on the market!"

"That may be true," answered the blonde wearily, "but I'm still up all night chasing those dogs and when I finally catch one it's hard getting him to swallow the pill!"

**Problems with my new computer**

Dear Mr. Bill Gates,

We have bought a computer for our home and we have found some problems, which I want to bring to your notice.

1. There is a button 'start' but there is no "stop" button. We request you to check this.
2. We find there is 'Run' in the menu. One of my friends clicked 'run ' he ran upto Amritsar! So, we request you to change that to "sit", so that we can click that by sitting.
3. One doubt is whether any 're-scooter' is available in system? I find only 're-cycle', but I own a scooter at my home.
4. There is 'Find' button but it is not working properly. My wife lost the door key and we tried a lot trace the key with this ' find' button, but was unable to trace. Please rectify this problem.
5. My child learnt 'Microsoft word' now he wants to learn 'Microsoft sentence', so when you will provide that?
6. I brought computer, CPU, mouse and keyboard, but there is only one icon which shows 'MY Computer': when you will provide the remaining items?
7. It is surprizing that windows says 'MY Pictures' but there is not even a single photo of mine. So when will you keep my photo in that.
8. There is 'MICROSOFT OFFICE' what about 'MICROSOFT HOME' since I use the PC at home only.
9. You provided "My Recent Documents". When you will provide "My Past Documents"?
10. You provide "My Network Places". For God shake please do not provide "My Secret Places". I do not want to let my wife know whre I go after my office hours.

Regards, Banta

The doctor told Sardarji that if he ran eight kilometers a day for 300 days, he would lose 34 kilos. At the end of 300 days, Sardarji called the doctor to report he had lost the weight, but he had a problem.

"What's the problem?" asked the doctor.

Sardarji bought a brand new Maruti and decided to drive down from Amritsar, where he lived, to Jalandar to meet his friend. He reached there in a few hours. After spending a few days there, he decided to return, and called up his mother to expect him in the evening. But he didn't reach in the evening and not the next day either. When he finally reached home on the third day, his distraught

Mother ran and asked him " Arre Puttar, kihoya?" (What Happened, My Son?)

The Sardarji got out, obviously very tired from a long journey, and said,

"Oy, ye Marutti wale pagal hain, agge jaane waaste chaar gear banaate hain, aur pichche jaane waaste sirf ik?" (These Maruti Car people are crazy!

They have four gears for going forward, but only one for going back!)

A sardar, a Madrasi and a Gujarati were waiting for a bus when a dangerous-looking guy approached them. He suddenly pulled out a syringe with blood inside it and said in a menacing tone - "Give me all your valuables or I'll pierce you with this needle. This contains AIDS infected blood!" Our friends were naturally alarmed - all except the sardar.

The Madrasi immediately gave away all his valuables. The Gujju bargained with the stranger and gave away half of his belongings. The sardar, however, was unfazed. He refused to part with his money. In anger and frustration, the guy pricked the sardar with the needle and ran away. The alarmed Madrasi and Gujju asked the sardar - " How could you do this? Now you will get AIDS surely!" The sardar coolly replied - " No! I won't! I am wearing a condom".

On some air bases the Air Force is on one side of the field and civilian aircraft use the other side of the field, with the control tower in the middle. One day the tower received a call from an aircraft asking, 'What time is it?'

The tower responded, 'Who is calling?'

The aircraft replied, 'What difference does it make?'

The tower replied, 'It makes a lot of difference.. . If it is a commercial flight, it is 3 o'clock. If it is an Air Force plane, it is 1500 hours. If it is a Navy aircraft, it is 6 bells. If it is an Army aircraft, the big hand is on the 12 and the little hand is on the 3. If it is a Marine Corps aircraft, it's Thursday afternoon and 120 minutes to 'Happy Hour.'

During training exercises, the lieutenant who was driving down a muddy back road encountered another car stuck in the mud with a red-faced colonel at the wheel. 'Your jeep stuck, sir?' asked the lieutenant as he pulled alongside. 'Nope,' replied the colonel, coming over and handing him the keys. 'Yours is.'

Having just moved into his new office, a pompous, new colonel was sitting at his desk when an airman knocked on the door. Conscious of his new position, the colonel quickly picked up the phone, told the airman to enter, and then said into the phone, 'Yes, General, I'll be seeing him this afternoon and I'll pass along your message. In the meantime, thank you for your good wishes, sir.' Feeling as though he had sufficiently impressed the young enlisted man, he asked, 'What do you want?'

'Nothing important, sir,' the airman replied, 'I'm just here to hook up your telephone.'

The red neck replied that it wasn't easy to convince the rest of the jury to change the charge to manslaughter. They all thought he was not guilty and, wanted to let him go.

A man placed some flowers on the grave of his dearly departed mother and started back toward his car when his attention was diverted to another man kneeling at a grave. The man seemed to be praying with profound intensity and kept repeating, "Why did you have to die? Why did you have to die?"

The first man approached him and said, "Sir, I don't wish to interfere with your private grief, but this demonstration of pain is more than I've ever seen before. For whom do you mourn so deeply? A child? A parent?"

The mourner took a moment to collect himself, and then replied, "My wife's first husband."

The next kid was a little girl who sat in the middle of the room. She stood up and answered the roll call by stating, "My name is Suzy, and when I become a lady I would like to have a baby ... if I can, and I think I can."

The next on the list was Little Johnny, a smart guy sitting in the back of the room. He stood up and said, "My name is Johnny, and I don't give a darn about Japan but I would like to help Suzy in her plan if I can ... and I think I can!"

A battle weary American soldier boarded a crowded train in London during the early days of post-WWII, only to discover he was unable to find a place to sit. As he walked the length of the train, he noticed a small white dog curled up on one of the seats. A large, well-dressed woman sat in the seat next to the dog. The man hovered near the seat, hoping the woman would take the hint, but she pointedly ignored him.

"Excuse me, Ma'am," the soldier finally spoke, "Is this your dog? Would you mind holding it on your lap so that I may sit down?"

The woman raised her icy gaze to the young man and said in a haughty British accent, "oh! You Americans. You are so rude.

Fluffy is in that seat, and I see no reason why she should give up her comfort for you."

The exhausted soldier nodded, picked up the small dog ... leaned over ... opened the window of the moving train and tossed the dog out. The woman gaped and spluttered in horrified indignation, and the man sitting across from her lowered his newspaper.

"You Americans", he said, "You drive on the wrong side of the road ... you eat with the wrong fork ... and you just threw the wrong bitch out the window."

An old man is lying on his deathbed with his children, grandchildren, and older great-grandchildren all around, teary-eyed at the approaching finale of a very long and productive life. The old man is in a terminal coma, and the doctors have confirmed that the waiting will be over within the next twenty-four hours. Suddenly, the old man opens his eyes and croaks: "I must be dreaming of heaven! I smell your grandmother's strudel!"

"No, grandfather, you are not dreaming. Grandmother is baking strudel now."

"I know I will never have another taste of her delicious strudel after this one. Could you please go down and get me a piece?", the old man begs with what is left of his final breath.

One of the grandchildren is immediately dispatched to honor the old man's last request. After a long time, he returns empty-handed.

"Did you bring me one last piece of your grandmother's delicious strudel?" the old man plaintively queries.

"I'm very sorry, grandfather, but she says it's for the funeral."

A married man was having an affair with his secretary. One day, their passions overcame them and they took off for her house, where they made passionate love all afternoon. Exhausted from the wild sex, they fell asleep, awakening around 8:00 pm. As the man threw on his clothes, he told the woman to take his shoes outside and rub them through the grass and dirt. Mystified, she nonetheless complied. He slipped into his shoes and drove home.

"Where have you been?" demanded his wife when he entered the house.

"Darling, I can't lie to you. I've been having an affair with my secretary and we've been having sex all afternoon. I fell asleep and didn't wake up until eight o'clock."

The wife glanced down at his shoes and said, "You lying bastard! You've been playing golf!".

There was a little boy named Johnny who used to hang out at the local corner market. The owner didn't know what Johnny's problem was, but the boys would constantly tease him. They would always comment that he was two bricks shy of a load, or two pickles short of a barrel. To prove it, sometimes they would offer Johnny his choice between a nickel (5 cents) and a dime (10 cents) and John would always take the nickel ... they said, because it was bigger.

One day after Little Johnny grabbed the nickel, the store owner took him aside and said "Johnny, those boys are making fun of you. They think you don't know the dime is worth more than the nickel. Are you grabbing the nickel because it's bigger, or what?"

Slowly, Little Johnny turned toward the store owner and a big grin appeared on his face and he said, "Well, if I took the dime, they'd stop doing it, and so far I have saved \$20!"

The one dollar bill said, "You know, same old stuff ... church, church, church."

"Imagine that," the drunk muttered. He returned to reading his paper.

The priest, thinking about what he had said, turned to the man and apologized: "I'm sorry, I didn't mean to come on so strong. How long have you had arthritis?"

"I don't have arthritis, Father," the drunk said, "but I just read in the paper that the Pope does."

A woman's husband had been slipping in and out of a coma for several months, yet she had stayed by his bedside every single day. One day, when he came to, he motioned for her to come nearer. As she sat by him, he whispered, eyes full of tears, "You know what? You have been with me all through the bad times. When I got fired, you were there to support me. When my business failed, you were there. When I got shot, you were by my side. When we lost the house, you stayed right here. When my health started failing, you were still by my side. You know what?"

"What dear?" she asked gently, smiling as her heart began to fill with warmth.

"I think you're bad luck."

"Honey," said this husband to his wife, "I invited a friend home for supper."

"What? Are you crazy? The house is a mess, I haven't been shopping, all the dishes are dirty, and I don't feel like cooking a fancy meal!"

"I know all that."

"Then why did you invite a friend for supper?"

"Because the poor fool's thinking about getting married."

An elderly couple goes to their doctor for a checkup. The man goes in first. "How're you doing?" asks the doctor. "Pretty good," answers the old man. "I'm eating well, and I'm still in control of my bowels and bladder. In fact, when I get up at night to pee, the good Lord turns the light on for me."

The doctor decides not to comment on that last statement, and goes into the next room to check on the man's wife. "How're you feeling?" he asks. "I'm doing well," answers the old woman. "I still have lots of energy and I'm not feeling any pain." The doctor says, "That's nice. It sounds like you and your husband are both doing well."

One thing though - your husband said that when he gets up to pee at night, the good Lord turns the light on for him. Do you have any idea what he means?" "Oh No," says the woman, "He's peeing in the refrigerator again."

About a week later, Allison came to Ben and said, "Ever since your mother came to dinner, I've been unable to find the beautiful silver gravy ladle. "You don't suppose she took it, do you?"

Ben said, "Well, I doubt it, but I'll write her a letter just to be sure."

So he sat down and wrote: "Dear Mother, I'm not saying you 'did' take a gravy ladle from my house, and I'm not saying you 'did not' take a gravy ladle. But the fact remains that one has been missing ever since you were here for dinner."

Several days later, Ben received a letter from his mother which read:

The poor man starts crying.

The truck driver says: " Come on man, I was just joking. Here, I'll buy you another drink. I just can't see a man crying."

"No, it's not that. Today is the worst day of my life.

First, I overslept and was late to an important meeting. My boss, outrageous, fired me. When I left the building to my car,

I found out it was stolen.

The police, they said they couldn't do anything.

I got a cab to return home, and after I paid the cab driver and the cab had gone, I found that I left my wallet in the cab.

I got home only to find my wife was with the gardener.

I left home and came to this bar. When I was thinking about putting an end to my life, you show up and drink my poison..."

**"So tell me," says the Indian, "How is it that you feel qualified to discuss nuclear power when you don't know shit?"**

**and at the end, the mourners wondering too.**

### **Thought 3**

**A Man was walking down a street when he heard a voice from behind, "If you take one more step, a brick will fall down on your head and kill you."**

The man stopped and a big brick fell right in front of him. The man was astonished.

He went on, and after a while he was going to cross the road. Once again the voice shouted, "Stop! Stand still! If you take one more step a car will run over you, and you will die." The man did as he was instructed, just as a car came careening around the corner, barely missing him.

The man asked. "Who are you?"

"I am your guardian angel," the voice answered.

"Oh, yeah?" the man asked "And where the hell were you when I got married?"

This is the best!!!

#### Thought 4

Everyone in the wedding ceremony was watching the radiant bride as her father escorted her down the aisle to give away to the groom. They reached the altar and the waiting groom; the bride kissed her father and placed some thing in his hand. Everyone in the room was wondering what was given to the father by the bride. The father could feel the suspense in the air and all eyes were on him to divulge the secret and say something.

So he announced "Ladies and Gentlemen today is the luckiest day of my life." Then he raised his hands with what his daughter gave him and continued, "My daughter finally, finally returned my credit card to me."

The whole audience including priest started laughing..... but not the poor groom!

Slim says, 'I feel just like a newborn baby.'

'Really!? Like a newborn baby!?!'

'Yep. No hair, no teeth, and I think I just wet my pants.'

An elderly couple had dinner at another couple's house, and after eating, the wives left the table and went into the kitchen.

The two gentlemen were talking, and one said, 'Last night we went out to a new restaurant and it was really great. I would recommend it very highly.'

The other man said, 'What is the name of the restaurant?'

The first man thought and thought and finally said, 'What is the name of that flower you give to someone you love?'

You know... The one that's red and has thorns.'

'Do you mean a rose?'

'Yes, that's the one,' replied the man. He then turned towards the kitchen and yelled, 'Rose, what's the name of that restaurant we went to last night?'

A young doctor had moved out to a small community to replace a doctor who was retiring. The older gent suggested the young one accompany him on his rounds so the community could become used to a new doctor.

At the first house a woman complained, "I've been a little sick to my stomach." The older doctor said, "Well, you've probably been overdoing the fresh fruit. Why not cut back on the amount you've been eating and see if that does the trick?"

As they left the younger man said, "You didn't even examine that woman. How'd you come to your diagnosis so quickly?"

"I didn't have to. You noticed I dropped my stethoscope on the floor in there? When I bent over to pick it up, I noticed a half dozen banana peels in the trash. That was what was probably making her sick."

"Huh," the younger doctor said, "Pretty clever. I think I'll try that at the next house."

Arriving at the next house, they spent several minutes talking with an elderly woman. She complained that she just didn't have the energy she once did. "I'm feeling terribly run down lately."

"You've probably been doing too much work for the church," the younger doctor told her. "Perhaps you should cut back a bit and see if that helps."

As they left, the elder doc said, "Your diagnosis is almost certainly correct, but how did you arrive at it?"

"Well, just like you at the last house, I dropped my stethoscope. When I bent down to retrieve it, I noticed the preacher under the bed."
