

# PLAY GAMES AND CHECK YOUR IQ

[The North-o-Meter](#) - rate your position in England with our almost uncannily-accurate test.

[You Can't Do Simple Maths Under Pressure](#) - our biggest hit.

[You Can't Write Proper English Under Pressure](#) - the wordy sequel to our biggest hit.

[Neverending Tory](#) - hard-hitting political satire indeed.

[Crapper Mapper](#) - We show you 10 toilets from around the world. Where are they from?

[Richard Dawkins Honey Defender](#) - save the honey or the terrorists win!

[Redesign iOS7](#) - because every other designer has had a go.

[Realistic Movember Simulator](#) - prepare for your itchy, itchy month with our new

[How Geeky Are You?](#) - a nerd-slanted personality quiz.

[Lou Reed's Metal Machine Listening Party](#) - an endurance tribute. Listening to anything less than all of it is disrespectful.

[Ed Balls Teaches Typing](#) - very much a Twitter in-joke, but quite playable.

[Daily Mail or Stormfront](#) - Some upvoted Mail Online comments, some neo-Nazi comments. Play spot the difference.

[The One Second Stopwatch game](#) - nostalgic for our Casio watch, we made a

[George Osborne's Austerity Ninja](#) - Grab cash, slash public services - but not your friends!

["All Work and No Play" Typewritten Letter Generator](#) - our tribute to the late, great Stanley Kubrick.

[Diet Tip or Total Bollocks?](#) - Which is a bonafide weight loss tip, and which is the delicious lie?

[Guess the Autocomplete](#) - can you out-think the Google hive mind?

[Aliens, Predator or Robocop?](#) - Can you tell, from the cheesy dialogue? (Play it with sound on)

[Petrol Pump Game](#) - try to hit £20 exactly in our wonderfully frustrating Petrol Pump Game

[Spot the 90s Smash Hit](#) - A playlist loaded with quality, but how many can you identify in 60 seconds?

[Sicktionary - Audio Quiz](#) - play with your eyes shut and your fingers on the keyboard.

[Tweetotal](#) - Generate and decipher your own, garbled drunk-tweets without booze.

[You Can't Do Binary Under Pressure](#) - we can't, well most of our team can't.

[Donna Summer's Disco Sausage Quiz](#) - Face the Sausage's quickfire questions about both disco and preserved meats.

[Don't Shoot Your Friends](#) - an evil Twitter game, with consequences!

[British Gas Bill Simulator](#) - BG is putting its prices up again. Find out how it'll affect you with our unofficial online calculator.

[6 Lines of JavaScript That Write Doctor Who Plots Indistinguishable From the Current Series](#) - yay, people like Sci-Fi.

[Paris? Where the Hell is Paris?](#) - Test your geography skills against the world. Can you pin down where the capital cities are?

[Icefail](#) - a parody of big media blockbuster CSS woo.

[Realistic Facebook Privacy Simulator](#) - How long can you outwit Facebook's crazy privacy controls?

[The One Word Wordsearch](#) - Can you find a single word, hidden in a mass of nonsense?

[Owen Paterson's Badger Penalty Shootout](#) - Poor Owen Paterson can't get anything done because badgers keep moving the goalposts.

[How Much Is That House?](#) - Ten homes on Google StreetView. How much did they sell for?

[Daily Mail Lorem Ipsum Generator](#) - Why use plain old dummy text, when you can have our specially-brewed, premium-filtered bile?

[The North of Watford quiz](#) - Ten StreetView locations, north of Watford Gap. Which city are you looking at?

[You Can't Javascript Under Pressure](#) - How fast can you write javascript? Can you write javascript at all?

[Daily Mail Spitfire Flypast](#) - yay The Daily Mail, our *favourite* newspaper.

[Sainsbury's Basics Product Blurb Quiz](#) - Match the Sainsbury's Basics product to its gently passive-aggressive description.

[How Footie Mad Are You?](#) - Bitey, squirrel-faced Luis Suarez is mad for football - but how mad are YOU?

[How Much Does the Daily Mail Hate YOU?](#) - Ever wondered where you fit into the Daily Mail's world view?

[You're it!](#) - an attempt to bring the playground game to the Twitter age.

[Iain Duncan Smith's Realistic Unemployment Simulator](#) - Want a glimpse of the nation's happy, workfare future?

[The Realistic Celebrity Twitter Account Simulator](#) - Harry Styles Whac-A-Troll

[Jaws: The Text Adventure](#) - C'mon! You get to play the SHARK! Who doesn't want to be a shark?

[The Infinite Ed Miliband Slash Fiction Generator](#) - again a revolting idea.

[Are You Down With the Kids?](#) - Play our quiz and we'll rate you against everyone else your age.

[The Homophobatron](#) - based on the nasty things politicians say.

[Scot or Not?](#) - Can you tell if these beautiful StreetView locations are... Scot or not?

[Realistic Newspaper Comment Simulator](#) - because some of those comments are a bit dumb.

[Pollocks or Bollocks](#) - Are these squiggles the work of Abstract Expressionist genius Jackson Pollock, or the worthless daubings of other, random people?

[Are You Smarter Than a Celebrity?](#) - Are you brainier than Stephen Fry, or dafter than Joey Essex?

[Am I Hoth or Not?](#) - This quiz only exists because of a bad pun that made us giggle. Enjoy.

[Can you Spot the Northampton Clown?](#) - Northampton is currently being haunted by a sinister clown - track him down.

[Retro Tape Quiz](#) - to celebrate the 50th birthday of the cassette tape, here's a quiz about whether you can identify the brands.

[Can you Spot the Northampton Clown?](#) - Northampton is currently being haunted by a sinister clown - track him down.

[Retro Tape Quiz](#) - to celebrate the 50th birthday of the cassette tape, here's a quiz about whether you can identify the brands.

[You Can't Do Geography Under Pressure](#) - flags, countries, capitals, you know the score.

[Stock Photography Keyword Challenge](#) - can you guess what keywords produced these ridiculous stock images?

[Dress the Royal Baby!](#) - Yay Prince George! We're such royalists.

[Name Those Sega Pixels](#) - iconic people rendered in 1990s 16 bit pixels. Can you identify them?

[A Game of Thronesbook](#) - a Facebook-oriented toy.

[Are You A GIF Prediction Genius?](#) - can you guess what happens next in these classic gifs?

[Vine Paint](#) - our first go at this. Not many people liked it but, hey, it got us started.

[Guess the City](#) - can you work out which city it is, from looking at the population map?

[The Google Autocomplete Quiz](#) - because Google says rude things that amuse us.

[Cat Reading Quiz](#) - Can you tell what these cats are trying to say, from their body language?

[Whose Stunt Double Am I?](#) - worth it for the Status Quo image alone.

[Guess the Clickbait](#) - Can you guess the all-important words left out of these teasing news tweets?

[How Much is the Price of Milk](#) - Have you totally lost touch with the cost of everyday life?

[Is This Art Priceless Or Worthless?](#) - Can you tell a priceless masterpiece from a load of old tat?

[The YouTube Top Comment Quiz](#) - YouTube gets a lot of hate for the awful comments. We've picked best & them turned into a quiz.
