

Sharon Beals is a creative and talented photographer from San Francisco. She believes that photography is the best and an artistic way of expressing her thoughts. Sharon has created a unique series of pictures called "Bird Nests" in which she dedicates the pictures to the amazing talent of birds to build nests. These pictures demonstrate the ingenuity of birds that turn twigs, sticks, mosses, lichens, and other objects in their cozy little house.

BIRDS NESTS BY SHARON BEALS
