Do not educate your child to
be rich.

Educate him to be happy.

So when he grows up,
he'll know the value of things,
not the price.

ART OF LIVING

Husband comes home from ART OF LIVING session. He greets his wife & lifts her and carries around the house with a smile.

Wife is so surprised & asked "did guruji preach something abt being romantic today?"

Husband said "no guruji told us that "We must carry our burden & sorrows with a smile"

If You Loose, You Can Guide!

ARE JUST TITLES.

Three Dreams of a Man

To be as handsome as his mother thinks..

To be as rich as his child believes..

To have as many women as his wife suspects !!

Someday everything will
make perfect sense.

So, for now, laugh at the
confusion, smile through the
tears and keep reminding
yourself that everything
happens for a reason.

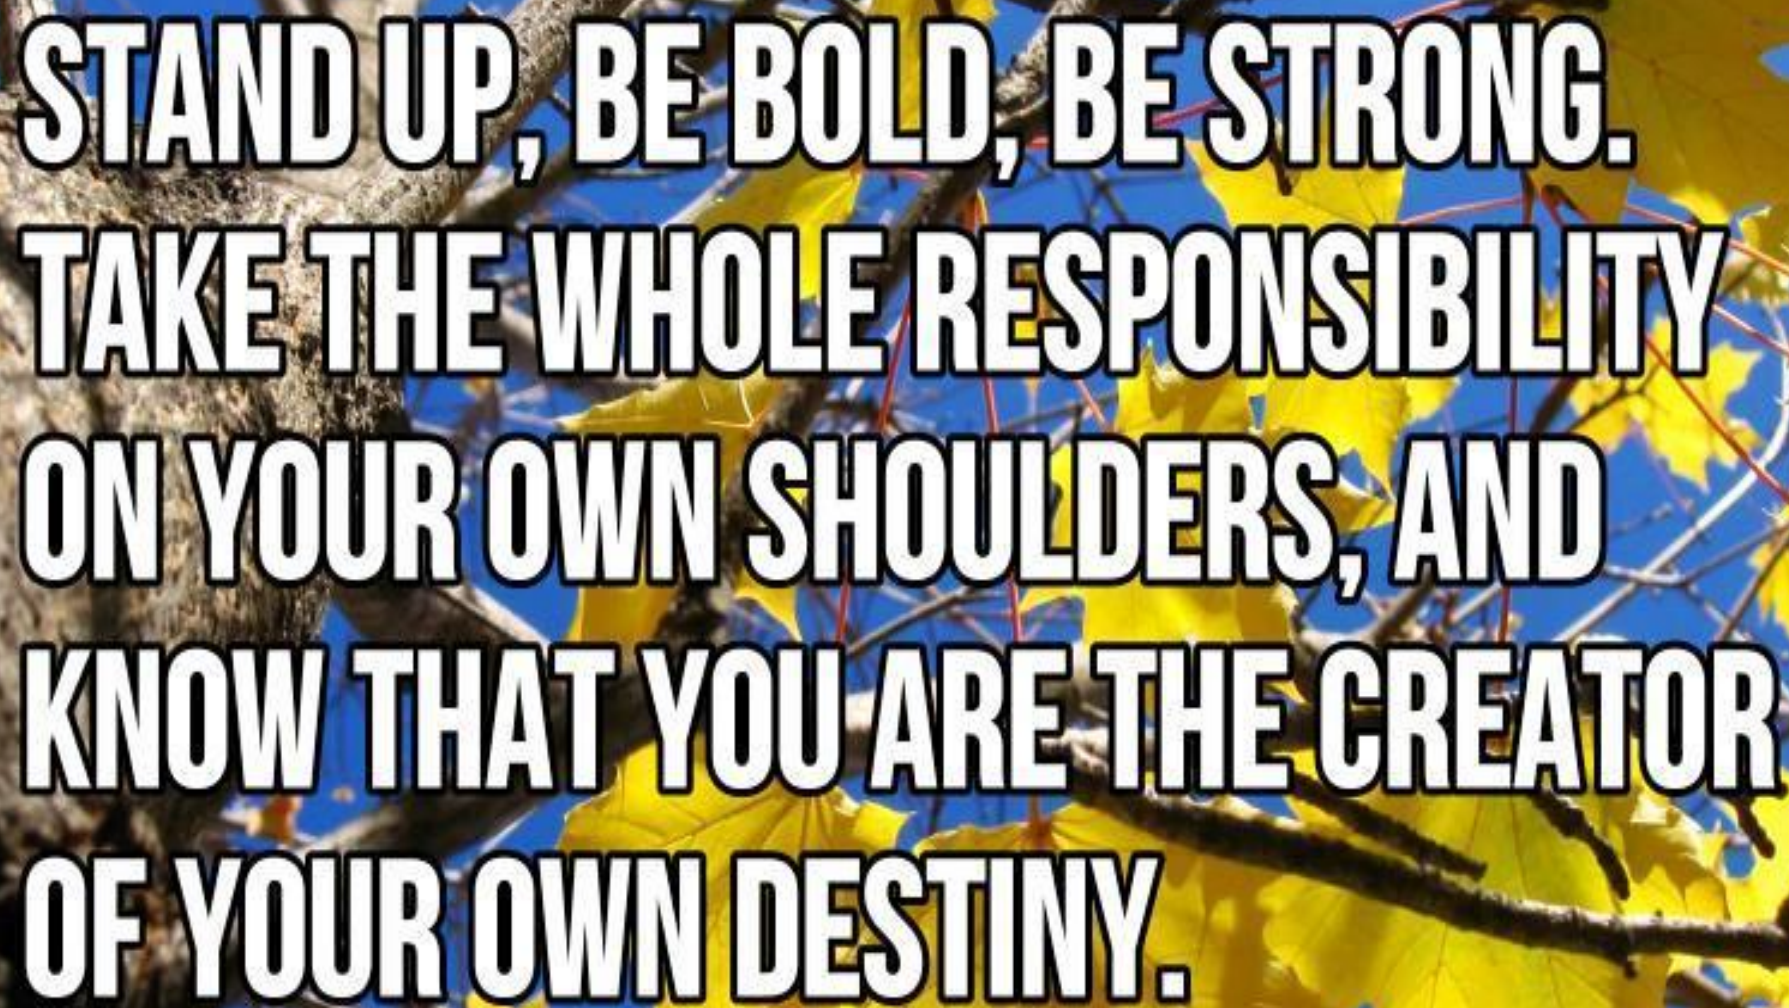

Do you know why people
cheat and lie?

because they know it's
easier to get
FORGIVENESS than
PERMISSION.

Have the best of everything;
They just make the most of
Everything that comes along their way.

**We need to teach our daughters
to distinguish between:**

*a man who flatters her
and a man who compliments her,*

*a man who spends money on her
and a man who invests in her,*

*a man who views her as property
and a man who views her properly,*

*a man who lusts after her
and a man who loves her,*

*a man who believes he's a gift to women
and a man who believes she's a gift to him.*

*And then we need to teach our sons
to be that kind of man.*

she spends so much that
her husband can't afford

NATURAL DISASTERS JUST HAPPEN

The other day I was telling my grandson about the great changes that have occurred in my lifetime, from the time when I was a child. I said "Look, when I was a kid as you are now, my Mom sent me to the store around the corner, with \$5. I returned with two packs of butter, two liters of milk, a bag of potatoes, two packets of cheese, a packet of sugar, a loaf of bread and a dozen eggs."

And my grandson replied: "Grandfather, in your time there were no surveillance cameras ".....!!!
